ZHONGSHAN WIE ELECTRIC APPLIANCE CO.,LTD

COMPANY PROFILE

Zhongshan Wie Electric Appliance Co.,Ltd is located in the national home appliance industry base known as zhong shan city, guangdong province，We are a professional manufacturer with 25 years of experience in electric water heater products. We have established business relations with corporations from Europe, America,Africa, South-Asia.

Our products obtained CE, RoHS ISO9001,CIG,CB,KC,SEDEX,etc .The company has introduced a full set of imported automatic production equipment, including automatic advanced electric water heater stainless steel production line, automatic assembly line, automatic pipe cutting machine, automatic double girth welding inner tanks line and automatic high pressure foaming production line, and other advanced production equipment.

The 7S production management system is adopted to comprehensively improve the quality and output of products. With advanced production equipment, flow research and development technology and exquisite manufacturing technology, the company has achieved strong production strength.
