### MEAT GRINDER

Model no.: L24      Power: 300W  
Capacity: 2L      Product size: 180 x 180 x 230mm  
Accessories: stainless steel blades\*1pcs, egg beating rod \* 1 pcs,  
drain basket \*1pcs

### FUNCTION AND ADVANTAGE

- ✓ 3-speed levels for making 3 size meat(coarse meat/medium meat/small meat);
- ✓ Attach the whisk attachment for egg-beating function and default working time for 90 seconds;
- ✓ Innovative drying function for 10s quickly dry the excess water in the vegetables;
- ✓ Large 2L capacity glass bowl;
- ✓ The powerful 300W motor lets you quickly chop, blend, puree, mix and mince a variety of ingredients;

**JUICE BLENDER**

Model no.: K18 Power: 300W  
 Capacity: 1L  
 Product size: 158 x 113 x 318mm  
 Accessories: cover\*1pcs

**FUNCTION AND ADVANTAGE**

- ✓ 70MM big diameter open mouth, can put a whole fruit inside, no need to cut;
- ✓ Copper direct drive motor with big power;
- ✓ 10 Blades head with 304 multi-paths grinding and fast grinding speed reach 26000rpm/min;
- ✓ Reserved all nutrition of fruit and vegetable, taste more smooth and delicate;
- ✓ Mother-to-child Tritan (BPA Free) material grinding bottle, PP motor cover;
- ✓ 2 Lids for 1 cup - one for grinding, one for directly drink;
- ✓ Manual lever control, stirring time freely;
- ✓ Non-slip feet and safety high temperature protection for motor;

## SILICONE FOOD WARMER

Model no: N1 Power: 250W

Product size: 674×380×28mm

Accessories: power cord\*1pcs, storage belt\*1pcs, travelling bag\*1pcs

## FUNCTION AND ADVANTAGE

- ✓ Can be used with all heat safe cookware.
- ✓ 5 settings for adjustable temperature (60°C/70°C/80°C/90°C/100°C).
- ✓ 4 hours adjustment for keeping warm.
- ✓ Panel size: 630\*380mm, can put 6pcs dish on plate in one time and suitable for 3-5 people.
- ✓ It is made of silicone material and easy to roll up for storage.

## FRUIT AND VEGETABLE STERILIZER

Model no: Y9 Input voltage: 5V=2A

Charging time: 8 hours

Battery capacity: 4400mAh

Product size: 167x66x41mm

Accessories: USB cable\*1pcs

## FUNCTION AND ADVANTAGE

- ✓ High speed mixer impeller design with 4000r/min speed, strengthen water flow and advance purification efficiency.
- ✓ Suspended electrolytic panel to increase the contact area and advance the purification efficiency.
- ✓ 360° water resistant design with IPX7 grade, deep immersion can also be used safely.
- ✓ Portable wireless design, compact and portable, easy for storage.
- ✓ Hydroxy water ion purification technology - deep sterilization, degradation of agricultural residues. With water as raw material, no chemical addition, no residue after purification, no damage to food nutrition.

## RECHARGEABLE WIRELESS LUNCH BOX

Model : F72      Rated Power: 60W      Input voltage: 17V  
 Capacity: 1L      Battery capacity: 5000mAh  
 Product size: 243\*99\*125mm  
 Accessories: divider, adapter  
 Color options: White, Purple  
 Charging time: 4.5 hours

## FUNCTION AND ADVANTAGE

- ✓ With 5000mAh capacity battery, charging 4.5 hours can heat-up food.
- ✓ Very convenient for users without power supply or outdoors.
- ✓ keep fresh.
- ✓ wireless design.
- ✓ cook without water inside.

## STAINLESS STEEL FOLDABLE KETTLE

Model no. : I65 Power : 100V-240V, 50/60Hz 230W/500W  
Capacity : 500ml Pcs / Ctn : 18 sets/carton GB size : 195\*195\*138mm

Accessories: PP steaming bowl, waterproof storage bag, descaling agent, power cord.

Packing: color box + brown carton.

### FUNCTION AND ADVANTAGE

- ✓ Micro-computer touch screen control, multi-functions such as water boiling, dechlorination, scented tea, noodle cooking, hot pot, heat preservation, etc.
- ✓ Safety-304 food grade stainless steel, high temperature resistance.
- ✓ Convenience-fast folding, small size, separate power cord.
- ✓ 100-240V universal voltage, intelligent identification switch.
- ✓ The shape is anti-scalding design and the upper opening design is easy to clean.
- ✓ Heat preservation: intelligent heat preservation, free choice between 30-90 degrees.

## FOLDABLE KETTLE

Model no. : I99 Power : 230W/ 700W Capacity : 500ml  
Voltage : 100V - 240V GB size : 195\*195\*138mm

Pcs / Ctn : 18 sets/carton

Accessories: PP steaming bowl, waterproof storage bag, descaling agent, power cord.

Packing: color box + brown carton.

### FUNCTION AND ADVANTAGE

- ✓ Boiling water, dechlorinating, scented tea, cooking noodles, hot pot, heat preservation, etc.
- ✓ Safety-304 food grade stainless steel, high temperature resistance.
- ✓ Convenience-fast folding, small size, separate power cord.
- ✓ Button control, 100-240V universal voltage.
- ✓ The shape is anti-scalding design and the upper opening design is easy to clean.
- ✓ Heat preservation: intelligent heat preservation, free choice between 30-90 degrees.

## FOLDABLE KETTLE

Model no. : I10 Power: 220-240V 600W Capacity : 600ml

Function: boiling water, heat preservation

Pcs / Ctn : 24 sets/carton GB size : 170\*170\*95mm

Accessories: folding cup, waterproof storage bag, descaling agent.

Packing: color box + brown carton.

### FUNCTION AND ADVANTAGE

- ✓ Button control, heat preservation.
- ✓ Safety-baby food grade silicone material, high temperature resistance, non-toxic and tasteless; 304 food grade stainless steel
- ✓ Convenient-fast folding in 3 seconds, detachable power cord, small size, easy to carry.
- ✓ Automatic power-off protection against dry burning.
- ✓ Free 280ml folding cup and waterproof storage bag.
- ✓ Upper opening design, easy to clean.

## FOLDABLE KETTLE

Model no. : I4 Power: 100V-240V 50/60Hz 245W - 700W

Capacity : 600ml Pcs / Ctn : 24 sets/carton GB size : 170\*170\*95mm

Accessories: folding cup, conversion plug, waterproof storage bag, descaling agent.

Packing: color box + brown carton.

### FUNCTION AND ADVANTAGE

- ✓ Small size, separate power cord, easy to carry.
- ✓ Microcomputer touch screen control, multiple functions such as water boiling, dechlorination, warming milk and heat preservation.
- ✓ Safety-baby food grade silicone material, high temperature resistant, non-toxic and tasteless, 304 food grade stainless steel.
- ✓ 100-240V universal voltage, intelligent identification switch.
- ✓ Free 280ml folding cup, conversion plug, and waterproof storage bag.
- ✓ Keep intelligent heat preservation, choose between 30-90 degrees at will.
- ✓ Anti-dry burning protection.

## FOLDABLE KETTLE

Model no. : I25 Capacity : 600ml GB size : 170\*170\*95mm

Power: 100-240V, 50/60Hz 245W/700W Pcs / Ctn : 18sets/carton

Accessories: folding cup, conversion plug, waterproof storage bag, descaling agent .

Packing: color box + brown carton.

### FUNCTION AND ADVANTAGE

- ✓ Small size, separate power cord, easy to carry.
- ✓ Microcomputer touch screen control, multiple functions such as water boiling, dechlorination, warming milk and heat preservation.
- ✓ Safety-baby food grade silicone material, high temperature resistant, non-toxic and tasteless, 304 food grade stainless steel.
- ✓ 100-240V universal voltage, intelligent identification switch.
- ✓ Free 280ml folding cup, conversion plug, and waterproof storage bag.
- ✓ Keep intelligent heat preservation, choose between 30-90 degrees at will.

## COLD BREWING COFFEE MAKER

Model no: I180

Capacity : 350ML

Accessories(optional) : Coffee mug, Base

## FUNCTION AND ADVANTAGE

- ✓ Keep coffee favor in cold condition
- ✓ 30 minutes can enjoy cold brew coffee
- ✓ Home make no need to go to cafe or shop to enjoy ice coffee
- ✓ Ice coffee directly , no need to add ice cube
- ✓ Cold brew coffee and warm brew coffee mode selection
- ✓ Temperature display for end user checked
- ✓ Detachable spout for easy cleaning
- ✓ Aluminum cavity for durable using

## ELECTRIC THERMAL CUP

Model no : I158

Capacity : 350ML

Power : DC 7.4V, 20W

Battery : 7.4V 1800mah

## FUNCTION AND ADVANTAGE

- ✓ Favor for coffee lover to maintain temperature.
- ✓ Keep hot beverage down to 50 degrees in 4 hours without plug in, very benefit for coffee lover.
- ✓ Plug in can long time sustain keep 50 degrees.
- ✓ Also can keep temperature for beverage.
- ✓ Easy for carry out.
- ✓ Can use car adapter to keep consistent temperature.
- ✓ very convenient for beverage lover.

## PRODUCT NAME: HEALTH KETTLE

Model no. : I13-H02 Power : 600W

Capacity : 600ML

Pcs / Ctn : 12 sets/carton

Accessories: 304 stainless steel filter screen, descaling agent

GB size : 300\*180\*147mm Packing: color box + brown carton

### FUNCTION AND ADVANTAGE

- ✓ Microcomputer touch screen control, making Ganoderma lucidum tea, ginseng tea, cordyceps tea, extraction, boiling water, and heat preservation.
- ✓ High borosilicate thick glass, high temperature resistant, non-toxic and tasteless; 304 food grade stainless steel
- ✓ Convenient-upright handle, separate pot body, small size, 360° rotating lifting, easy and convenient
- ✓ Smart touch, anti-dry burning and automatic power-off
- ✓ Fashionable appearance, equipped with stainless steel tea filter, professional tea steaming artifact

## TEA MAKER

Model no. : I19 Power : 600W Capacity : 800ML

Pcs / Ctn : 12 sets/carton Packing: color box + brown carton

GB size : 278\*228\*188mm

Accessories: tea tray, stainless steel tea strainer,

2 packs of descaling agent

### FUNCTION AND ADVANTAGE

- ✓ Double heating tube design, it only takes 3 minutes to boil a pot of water
- ✓ Thickened explosion-proof high borosilicate glass, 304 food grade inner cover, stainless steel tea strainer
- ✓ Both boiling water and tea can be used; 360° rotating and lifting is convenient
- ✓ NTC senses temperature, prevents dry burning and automatically powers off
- ✓ Spray tea filter to extract essence.
- ✓ 24 hours of intelligent heat preservation, the tea is more fragrant.
- ✓ Making black tea, Pu'er, oolong, black tea, boiling water, heat preservation

## TEA MAKER

Model no. : I38                      Power : 600W  
 Pcs / Ctn : 12 sets/carton              Capacity : 800ML  
 GB size : 278\*228\*188mm              Packing: color box + brown carton

Accessories: tea tray, stainless steel tea strainer, 2 packs of descaling agent.

### FUNCTION AND ADVANTAGE

- ✓ Double heating tube design, it only takes 3 minutes to boil a pot of water
- ✓ Thickened explosion-proof high borosilicate glass, 304 food grade inner cover, stainless steel tea strainer
- ✓ Both boiling water and tea can be used; 360°rotating and lifting is convenient
- ✓ NTC senses temperature, prevents dry burning and automatically powers off
- ✓ Spray tea filter to extract essence.
- ✓ 24 hours of intelligent heat preservation, the tea is more fragrant.
- ✓ Making black tea, Pu'er, oolong, black tea, boiling water, heat preservation

## TEA MAKER

Model no. : I90                      Power : 600W  
 Pcs / Ctn : 8 sets/carton              Capacity : 500ML  
 GB size : 278\*198\*192mm

Accessories: tea filter, tea filter holder, tea waker  
 Packing: color box + brown carton

### FUNCTION AND ADVANTAGE

- ✓ Multifunctional-boiling water, brewing tea, keeping warm, making tea.
- ✓ 80°C anti-scalding side handle, knob button, water pouring combine control function, at the same time.
- ✓ Magnetic tea filter, flexible combination, multiple uses in one pot.
- ✓ Thickened high borosilicate glass body, 304 food grade inner lid.
- ✓ 360°rotating and lifting, easy and convenient.
- ✓ 24 hours of intelligent heat preservation.

## COLD & HOT KETTLE

Model no. : I47                      Power : 650W  
 Capacity : pot - 600ml, cup - 400ml  
 Pcs / Ctn : 8 sets/carton              GB size : 300\*290\*185mm  
 Accessories: cup, tea strainer, 2 packs of descaling agent  
 Packing: color box + brown carton

### FUNCTION AND ADVANTAGE

- ✓ Intelligent cooling and heating, boiling water, scented tea, fruit tea, coffee, heat preservation, cold beer / Coca cola
- ✓ Food grade 304 stainless steel material, high borosilicate thick glass, durable in cold and hot
- ✓ Stable base with rounded corners, separate pot body, 360°rotating and lifting
- ✓ NTC senses temperature, prevents dry burning and automatically powers off
- ✓ Intelligent heat preservation of the kettle body, from 30°C to 90°C

## HEALTH KETTLE

Model no. : D73                      Power : 600W  
 Capacity : 800ml                      GB size : 245\*245\*187mm  
 Pcs / Ctn : 12 sets/carton  
 Accessories: manual, descaling agent, tea scale cleaner  
 Packing: color box + mail order box

### FUNCTION AND ADVANTAGE

- ✓ Microcomputer touch screen control, 24 hours constant temperature and heat preservation.
- ✓ 3 modes of water temperature (40°C, 60°C, 100°C) , 3 levels of cooking (10min, 45min, 90min) .
- ✓ Heat insulation and anti-scalding handle, anti-drip spout
- ✓ 600W high power fast boiling water
- ✓ 304 stainless steel upper cover and filter screen, high borosilicate pot body
- ✓ Fashionable design, glazed glass craftsmanship

## HEALTH KETTLE

Model no. : D61                      Power : 600W                      Capacity : 1.5L  
 Pcs / Ctn : 12 sets/carton                      GB size : 261\*238\*232mm  
 Accessories: descaling agent, tea scale cleaner  
 Packing: brown carton

### FUNCTION AND ADVANTAGE

- ✓ Thick high borosilicate glass, safe explosion-proof and automatic anti-dry burning.
- ✓ Microcomputer intelligent control, 9.5H appointment.
- ✓ 12 health functions such as boiling water, making tea, hot pot, cooking noodles, cooking porridge, and making soup.
- ✓ Built-in sensitive temperature detector for the temperature in the pot.
- ✓ Freely set the heat preservation temperature at 30-90°C, 24h long-lasting heat preservation.
- ✓ Fashionable design, glazed glass craftsmanship

## HEALTH KETTLE

Model no. : D52                      Power : 800W  
 Pcs / Ctn : 8 sets/carton                      Capacity : 1.8L  
 GB size : 285\*255\*230mm  
 Accessories: egg rack, descaling agent  
 Packing: brown carton

### FUNCTION AND ADVANTAGE

- ✓ Thick high borosilicate glass, safe explosion-proof and automatic anti-dry burning.
- ✓ Microcomputer intelligent control, 9.5H appointment.
- ✓ 12 health functions such as boiling water, making tea, hot pot, cooking noodles, cooking porridge, and making soup.
- ✓ Built-in sensitive temperature detector for the temperature in the pot.
- ✓ 304 stainless steel heating plate, 60S lifting pot memory.

## PORTABLE ELECTRIC HOT WATER CUP

Model no. : I127 Power: 300W Capacity : 300ml

Function: boiling water, heat preservation.

Pcs / Ctn : 32sets/carton GB size :100\*100\*220mm

Accessories: power cord, descaling agent\*2.

Packing: color box + brown carton.

### FUNCTION AND ADVANTAGE

- Breathable and explosion-proof design, no leakage of seal.
- Multifunctional-boiling water, heat preservation, and it can also be used directly as an ordinary thermos.
- Safety-food grade 304 stainless steel material.
- Convenient-small size and large capacity, easy to carry.
- Smart touch, one-key operation.
- Precise NTC temperature sensing, automatic protection against dry burning.

## PORTABLE ELECTRIC HOT WATER CUP

Model no. : I139-H02 Power: 300W Capacity : 300ml

Function: boiling water, heat preservation. Pcs / Ctn : 32sets/carton

GB size :100\*100\*293mm Packing: color box + brown carton.

Accessories: tea strainer, power cord, descaling agent\*1.

### FUNCTION AND ADVANTAGE

- Boiling water, breathable and explosion-proof design, no leakage.
- Multifunctional-boiling water, heat preservation, and it can also be used directly as an ordinary thermos.
- Safety-food grade 304 stainless steel material.
- Small size and large capacity, handy handshake, easy to carry.
- Precise NTC temperature sensing, automatic protection against dry burning.
- Set the boiling water temperature and heat preservation temperature at 30-90°C.
- Touch the button to display the water temperature in the cup.

LIFE ELEMENT

## FRESH KEEPING VACUUM LUNCH BOX

Model no: F70          Capacity : 650ML  
 Spec : Food grade PP, no need power supply  
 Vacuum pump spec: 5V 1A, battery capacity: 700mah  
 Product size: 243\*97\*135mm

## FUNCTION AND ADVANTAGE

- ✓ Portable keep fresh, food not easily to deteriorate for your take-out food.
- ✓ Keep fresh for food, salad , vegetable, fruit , yogurt etc. Average performace 12~15degrees for 5~6 hours.
- ✓ Light weight and easy to carry out.
- ✓ Food grade material, no hazard for user, BPA free , no deformation after microwave heat and dishwasher safe.
- ✓ 650 ml capacity easy for carry , suitable for 1 or 2 person used.
- ✓ Vacuum pump fast extract inner air , perfect seal and no leakage.
- ✓ Famous appearance design team to develop the structure and appearance, suitable all markets around the world.

## NEW LUNCH BOX

Model : F71      Capacity: 1.2L      Power: 300W  
 Type: touch panel control  
 Product size: W288×D147×H196mm  
 Accessories: SUS container x2, divider, elastic band  
 Function: steam, warm up, stew, congee, keep warm, preset

## FUNCTION AND ADVANTAGE

- ✓ It can keep cool & cook food.
- ✓ Double tier can cook at the same time.
- ✓ Double layer insulation for no leakage.
- ✓ 1.2L Capacity.
- ✓ 9 hours preset.
- ✓ 6 preset menu for easy operation.

## MINI ELECTRIC COOKER

Model : F58 Power: 300W Capacity : 1.0L

Accessories: Container X 1, Divider X 1.

### FUNCTION AND ADVANTAGE

- Multifunctional cook , suitable for rice , fry egg , fry steak , porridge , preset and keep warm.
- Digital touch sense button , Screen display , 9 hours preset and keep warm 2 hours.
- 300W power , warm rice within 5 minutes , cook rice in 10-20 minutes.
- 1L small capacity , double seal rings , easy to carry out and no leakage.
- Food grade material , no hazard substance.
- No noise design.
- Water resistant design convenience for washing.

## DIGITAL ELECTRIC LUNCHBOX

Model : F36 Power: 300W Capacity : 1500ML

Function: Steam rice, Heat rice, Soup , Porridge, Dessert and Keep

Accessory: Measure cup , Bag ( optional )+measure cup ( optional ).

### FUNCTION AND ADVANTAGE

- Fashion design for your appetite.
- Digital – touch sense control panel , 9.9 hours preset , keep warm 2 hours.
- Stainless steel – 304 bowls , heating evenly and easy to carry out.
- Bowl cover has date record ring for user record . 360° no leakage.
- PTC heating and energy saving.
- Dry burnt protection.

## DIGITAL ELECTRIC LUNCHBOX

Model : F27 Power: 250W Capacity : 1000ML

Function : Rice, Porridge, Soup, Heat food, Steam egg, Vegetables.

Accessory: 2 X 0.5 L ceramic bowls+measure cup ( optional ).

### FUNCTION AND ADVANTAGE

- Micro computer control, 9.5 hours preset steam / cook , keep warm function.
- Food grade white ceramic bowls, no smell mixing and keep fresh 24 hours.
- 360 degrees cycling heat, energy saving.
- Multi-function, 0.5L bowls for multiple cook.
- Bowl cover has date record ring for user record. 360° no leakage.
- Foldable handle easy to carry out.
- Dry burnt protection.

## DIGITAL ELECTRIC LUNCHBOX

Model : F19 Capacity : 2000ML Power: 220-240V, 300W

Function: Rice, Porridge, Soup, Heat food, Steam egg, Vegetables.

Accessory: 2\*0.6L+2\*0.4L ceramic bowls+measure cup ( optional ).

### FUNCTION AND ADVANTAGE

- Micro computer control, 9.5 hours preset steam / cook , keep warm function.
- Food grade white ceramic bowls, no smell mixing and keep fresh 24 hours.
- Bowl cover has date record ring for user record. 360° no leakage.
- Multi-function, 0.5L bowls for multiple cook.
- 360 degrees cycling heat, energy saving.
- Dry burnt protection.

## ELECTRIC LUNCHBOX

Model : DFH-F100 Power: 250W Capacity : 1000ml

Function: Rice, Porridge, Soup, Heat food, Steam egg, Vegetables.

Accessory: 2 X 0.5 L ceramic bowls+measure cup ( optional ).

### FUNCTION AND ADVANTAGE

- Food grade materials.
- 360 degrees cycling heat, energy saving.
- Food grade white ceramic bowls, no smell mixing and keep fresh 24 hours.
- Multi-function, 0.5L bowls for multiple cook.
- Bowl cover has date record ring for user record. 360° no leakage.
- Foldable handle easy to carry out.
- Dry burnt protection.

## MULTIFUNCTIONAL COOKER

Model number : J12

Functions: steaming, frying, braising, hot pot, etc.

Power: 1000W

Capacity : 2.0L

Product size: 276\*245\*188mm

Packing size: 525\*190\*355mm

Packing way: gift box+master box

### FUNCTION AND ADVANTAGE

- Multi-function: steaming, frying, hot pot, etc.
- Keep fresh at 60°C.
- Non-sticky, non-scorched, easy to control all kinds of food.
- Medical stone non-stick coating, it is elegant and lazy with one touch.
- 1000W high power, fast cooking in 6 minutes.
- 4 layers of heat insulation and anti-scalding: high-density and durable PP layer, vacuum insulation layer, high temperature resistant 304 stainless steel layer, medical stone wear-resistant coating.
- Overheating to prevent dry burning, automatic power-off protection.

## MULTIFUNCTIONAL COOKER

Model number : J16 Power: 1000W Capacity : 2.0L

Functions: steaming, frying, braising, hot pot, keeping warm, etc.

Product size: 276\*245\*188mm

Packing size: 525\*190\*355mm

Packing way: gift box+master box

### FUNCTION AND ADVANTAGE

- Multi-function: steaming, frying, hot pot, etc.
- Keep fresh at 60°C.
- Non-sticky, non-scorched, easy to control all kinds of food.
- Medical stone non-stick coating, it is elegant and lazy with one touch.
- 1000W high power, fast cooking in 6 minutes.
- 4 layers of heat insulation and anti-scalding: high-density and durable PP layer, vacuum insulation layer, high temperature resistant 304 stainless steel layer, medical stone wear-resistant coating.
- Overheating to prevent dry burning, automatic power-off protection.

## AIR FRYER

Model number : Q1    Power: 1400W    Capacity : 3.0l  
 Functions: French fries, steak, seafood, chicken, potato, grill, nuts, etc.  
 Accessories: rack  
 Packing number: 4 pcs/carton  
 Packing size: 310\*235\*415mm  
 Packing way: gift box+master box

### FUNCTION AND ADVANTAGE

- Multifunction-French fries, steak, seafood, chicken, potatoes, grill, nuts, etc.
- The knob is controlled regularly, and the operation is convenient.
- It can be fried and roasted in two layers to meet the needs of a variety of ingredients.
- One-key operation, precise temperature control, more delicious food.
- Space capsule appearance design, small size, great performance.
- Quiet design, enjoy food quietly.
- Power-off memory function.

## AIR FRYER

Model number : Q5    Power: 1400W    Capacity : 3.0L  
 Functions: French fries, steak, fish, seafood, chicken, nuts, dried fruit, fermentation, defrost, grill, egg tart, potato.  
 Accessories: rack    Packing number: 4 pcs/carton  
 Packing size: 310\*235\*415mm  
 Packing way: gift box+master box

### FUNCTION AND ADVANTAGE

- Microcomputer control, temperature and time can be set at will, clear at a glance.
- It can be fried and roasted in two layers to meet the needs of a variety of ingredients.
- One-key operation, precise temperature control, and more delicious food.
- Space capsule appearance design, small size, great performance.
- Quiet design, enjoy food quietly.
- Power-off memory function.
- Multifunction-French fries, steak, fish, seafood, chicken, nuts, dried fruit, fermentation, defrost, grill, egg tart, potato.

## BREAKFAST SET

Model number : U2 Power: 600W+900W Capacity : 2.0l

Functions: sandwiches, waffles, grilling, steaming.

Accessories: sandwich pan\*2, waffle pan\*2, bamboo spatula\*1, soup pot\*1, pan\*1, glass lid\*1.

Packing number: 6 pcs/carton Packing size: 470\*230\*285mm

Packing way: gift box+maser box

## FUNCTION AND ADVANTAGE

- ✔ Cook in five minutes and have a good breakfast in both Chinese and Western styles. Giving you a sense of freshness in 365 days.
- ✔ One machine, five uses. Frying, boiling, baking and steaming, flapjack.
- ✔ Detachable baking pan and non stick pan.
- ✔ Double knobs are operated in different areas, independent operation without interference.
- ✔ Timing bake with one button.
- ✔ Double sided constant temperature heating, uniform heating, no need to turn over.
- ✔ Intelligent LED display, real-time display time and temperature, everything is in control.

## SANDWICH MAKER

Model number : P9 Power: 600W

Functions: fried and grilled sandwiches, waffles.

Accessories: sandwich pan\*2, waffle pan\*2.

Packing number: 12 pcs/carton Packing size: 267\*245\*170mm

Packing way: gift box+maser box

## FUNCTION AND ADVANTAGE

- ✔ 2-in-1 Sandwich Maker: With 2 kinds of plates, the sandwich maker is perfect for making sandwich, waffle. The machine works well to make different DIY foods according to your preferences.
- ✔ 600W Powerful Sandwich Maker: The sandwich maker reaches the cooking temperature quickly (about 3-4 minutes), double cooking plates heats evenly that are crispy outside and tender inside.
