Graphene heating series	37-50

COMPANY PROFILE

 Globalization

Enterprise Introduction

Foshan City Shunde District Lexueer Electric Appliance Co.,Ltd is an ISO9001 company, established in 2014. The factory of is located to Foshan, China, which is only 150-200 kilometers to the all of Shznzhen ports, and 60 kilometers to Nansha Port. The whole company occupies 20,000 square meters.It has a installation workshops covering 10000 square meters,a professional type testing laboratory, two warehouse covering 8000 square meters.

Lexueer is a professional enterprise specialized in technological development and manufacturing all kinds of mosquito killer lamp series ,mosquito killer swatter series,graphene heating series,electric heating bag etc.

.Lexueer cooperate fully with the research Institute for product development and quality control.Our strong technology team department achieve 12 core technologies patent of mosquito killer lamp series ,mosquito killer swatter series , graphene heating series,electric heating bag in China.All the products meet international specifications. All the products meet the related national standards. The products have got CE,PSE,Rohs Certification. We are focused on OEM ODM manufacturing.In domestic, Lexueer is the manufacturer of the biggest brand MIDEA and XIAOMI in the household appliance field.In oversea market, we are a manufacturer OEM & ODM for the international brand Geepas Krypton Samono.Foshan City Shunde District Lexueer Electric Appliance Co.,Ltd expects to cooperate with every outstanding enterprise in the field of household appliance to build a prosperous future.

Safety

Standardized manufacture
Good quality
guarantee the safety

Professional

Concentrating on technology
accumulation

Innovation

Creativity designing
brings new added value

Enterprise Advantages

01 Factory

joint production factory for injection molding materials

02 Line

joint venture assembly line for circuit boards

03 Technology

joint production mill for fabric materials

04 Produce

joint venture plant for plastic materials

05 Complete

wholly-owned production line for products of winter and summer

Product research layout

▲ Daily Household Appliance Developing Base of Guangdong Testing Institute of Quality Supervision

▼ Foshan Laboratory

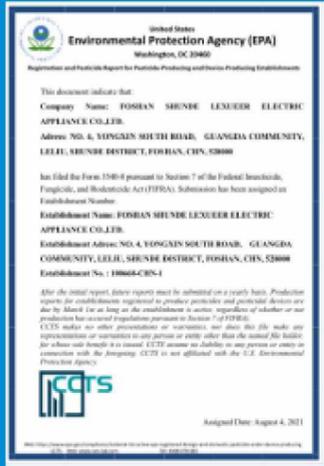

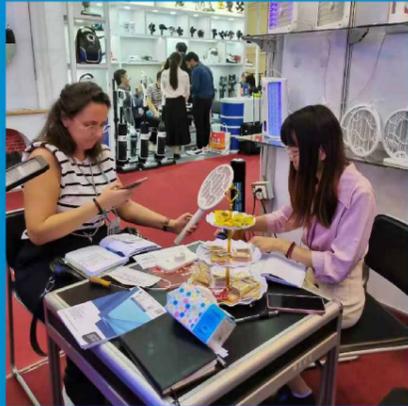

Exhibition Review

10
Appearance patent

21
Practical patent

2
patent for invention

Our products have passed CE/FCC/RoHS/PSE and other export certificates. The company has passed ISO9001: 2015 quality management system certification.

Mosquito swatter

Mosquito Killing Series

BF-209

Color selection ● ●

SPECIFICATION

Model:BF-209
Battery capacity: 500mAh
Charging: 5 V; 1 A
Charging port: USB-C
Charging time: approx. 3 hours
Max power: 3 W
Net voltage: 3300 V
Lighting function:Yes

PACKING DETAILS

G.W.:6.8kg
Qty/CTN:20PCS
Product size:23.5*3*47.5cm
Carton size:40*24.5*47.5cm
In set: charging cable, manual
20GP/40GP/40HQ:11060/23820/28080

CERTIFICATION

BF-210

Color selection ○

SPECIFICATION

Model:BF-210
Battery capacity: 500/1200mAh
Charging: 5 V; 1 A
Charging port: USB-C
Charging time: approx. 3 hours
UV wave length: 395 nm
Max power: 3 W
Net voltage: 3300 V

PACKING DETAILS

G.W.:8.2kg
Qty/CTN:20PCS
Product size:21*9*48cm
Carton size:61*24.5*50.5cm
In set: charging cable, stand, manual
20GP/40GP/40HQ:7000/14820/17480

CERTIFICATION

3500 High Voltage

High-efficiency and energy-saving circuit technology

0 voltage safety protection for one second after power failure

BF-218

Color selection ○ ● ● ●

SPECIFICATION

Model:BF-218
 Battery capacity: 500/1200mAh
 Charging: 5 V; 1 A
 Charging port: USB-C
 Charging time: approx. 3 hours
 Lighting function:Yes
 Max power: 3 W
 Net voltage: 3300 V

PACKING DETAILS

G.W.:6.8kg
 Qty/CTN:20PCS
 Product size:21.5*7*50.5cm
 Carton size:41*23*50cm (zipper bag)
 In set: charging cable, manual
 20GP/40GP/40HQ:11000/23720/28000

CERTIFICATION

BF-218A

CERTIFICATION

BF-211

SPECIFICATION

Model:BF-211
 Battery capacity: 500/1200mAh
 Charging: 5 V; 1 A
 Charging port: USB-C
 Charging time: approx. 3 hours
 Lighting function:Yes
 Max power: 3 W
 Net voltage: 3300 V

PACKING DETAILS

G.W.:9.9kg
 Qty/CTN:20PCS
 Product size:22*8.8*53cm
 Carton size:62*26*54.5cm (zipper bag)
 In set: charging cable, stand, manual
 20GP/40GP/40HQ:5900/12720/15000

BF-215

SPECIFICATION

Model:BF-215
 Battery capacity: 500/1200mAh
 Charging: 5 V; 1 A
 Charging port: USB-C
 Charging time: approx. 3 hours
 Lighting function:Yes
 Max power: 3 W
 Net voltage: 3300 V

PACKING DETAILS

G.W.:7.5kg
 Qty/CTN:20PCS
 Product size:504*218*90mm
 Carton size:500x255x360mm (zipper bag)
 In set: charging cable, stand, manual
 20GP/40GP/40HQ:11300/24340/28680

R7

SPECIFICATION

Model:R7
 Battery capacity: 1200mAh
 Charging: 5 V; 1 A
 Charging port: USB-C
 Charging time: approx. 6-7 hours
 UV wave length: 395 nm
 Max power: 8 W
 Net voltage: 3300 V

PACKING DETAILS

G.W.:13kg
 Qty/CTN:20PCS
 Product size:22.5*11.5*47cm
 Carton size:55*53*50.5cm (color box)
 In set: charging cable, stand, manual
 20GP/40GP/40HQ:3520/7600/8960
